Note 1: # Excludes Mao-Maram, Paomata & Purul Sub-Divisions of Senapati District.												
Note 2: Naga, Old Kuki, and Kuki groups are divided as per E.W.Dun (Gazetteer of Manipur) for 1881 Census. However, some old Kuki sub-clans have included in Naga and Kom in Kuki in 1901. Hence their total population recorded in 1881 & 1901 have some plus-minus. From 1931 onwards, 16 clans of Naga, 11 of Kuki & 6 of Old Kuki neither Naga nor Kuki were grouped as per different sources but may require further rectification if discrepancy arises.												
Note 3: Meitei Population is calculated based on Mother Tongue of Manipuri by subtracting Muslim Religion population from 1951 onwards but for 1881, 1901 & 1931 were made as per Community, Caste, Tribe, Race or Nationality population. It may not be get cent percent Meitei population.												
Note 4: Population of Naga, Kuki, Mizo, Old Kuki for 1931 & 1951 is based on Mother Tongues. Some discrepancies may be arised.												
Note 5: In 1981, Kabui population was reduced. Some Kabui population was recorded as Zeliarong but Zeliarong was not listed in ST so their population was counted as others so that other population was raised and total ST growth was reduced.												
Note 6: Decadal Growth rate for 2011-2021 is 10.83 % and 1.83 % for 2021-2023 as per ORG's Population Projections for India & States 2011-2036.												
Note 7: Meitei Pangal population is based on Muslim Religion. NA - Data Not Available.												
Sources: Census of India, PCA publications, Tribe, Caste, Race or Nationality tables, SC & ST Tables & views of the Scholars.
